

Been thinking about new premises?

Primary Asset is a leading developer of innovative medical premises to the primary care sector.

Our vision is to create a better primary healthcare experience. Primary care is changing rapidly, providing the opportunity to deliver a wider range of services and create a better experience for patients.

We believe a new facility can be the catalyst for positive change and benefits can be maximised through partnership, teamwork and mutual trust. We look forward to working with people who share our philosophy and desire to make a difference.
